ATTACHMENT TO ADVISORY ACTION

In response After-final dated 10/26/2010. Claims 1-3, 5-14, 16-17, and 19-37 are pending. Claim 1 was amended. Claim 18 was cancelled.

This amendment will not be entered for the following reasons:

Newly amended claim 1 raises new issues requiring a novel search and further consideration because it now recites that the thermoplastic resin B is a resin formed from PET and CHDM at a ratio of 50:50 to 99:1 in the resin, which creates a new combination for claim 1 not previously considered. Examiner further notes that the declaration provided 4/30/2010 and all examples provided within the specification have the PET copolymerized with the CHDM at 30 mol% and thus, the declaration would not be commensurate in scope with the present claims. As such, the amendment will not be entered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to PRASHANT J. KHATRI whose telephone number is (571)270-3470. The examiner can normally be reached on M-F 8:00 A.M.-5:00 P.M. (First Friday Off).
